### **1. Information Collection, Use, and Sharing**

In order to use this app, a user must first complete the registration form. During registration a user is required to provide certain information (such as name, phone, email address, city and country).

We are the sole owners of the information collected by our App. We only have access to/collect information that you provide us during registration process or at time of subscription purchase or other direct contact from you. We will not sell or rent this information to anyone.

We will use your information to respond to you, regarding the reason you contacted us or for troubleshooting any issues faced by you. We will not share your information with any third party outside of our organization, other than as necessary to enable you to use this app.

We may contact you via email in the future to inform you about new App releases, payment invoice and reminders, or changes to this privacy policy.

## **2. Your Access to and Control Over Information**

You may view your registration details in our app in "My profile" section. You may edit and update this information any time.

You may opt out of any future contacts from us at any time by contacting us via [support@saptarishis.net](mailto:support@saptarishis.net) email address.

## **3. Data security**

We do not store your financial information like credit card numbers. All payments are processed in a secured manner using third party payment gateways.

We follow reasonable industry standard tools, technical measures and procedural measures to safeguard your information. However, you should know that neither we nor any other website or app can fully eliminate all the risks. Like elsewhere there is no guarantee that your information will not be compromised.

## **4. Contact us**

For any questions about this privacy policy or our privacy practices, you may write to us at [support@saptarishis.net](mailto:support@saptarishis.net).
